OUR PAST!

We are fickle human beings, often in search of entertainment. Eons of evolution design us to look toward the future rather than the past. Palm Sunday is our conscious effort to root ourselves in our past, the very foundation of our faith, the paschal mystery. This week we celebrate the most ancient and fundamental mysteries of faith. Being in touch with the paschal mystery reminds us that this life has meaning beyond the here and now. We have a future that is eternal. The love, relationships, and bonds we create in this life will endure. The passion and death of Jesus necessarily result in his resurrection, which gives us a promise and foretaste of that eternal life. Entering this Holy Week, we recall that our faith is rooted in the past, and our destiny is eternal. Copyright *Living Liturgy 2018*
